RE: Scope determination on the countervailing duty order on light-walled rectangular pipe and tube from the People's Republic of China (C-570-915).

1. On 04/26/2017, in response to a request by Acme Manufacturing Company ("Acme"), Commerce issued a final scope determination that the black and perforated square tubes in lengths of three, four, and six feet which Acme imports are within the scope of the countervailing duty order on light-walled rectangular pipe and tube from the People's Republic of China ("China")(C-570-915).
2. Because the imported products possess all of the physical characteristics of subject merchandise that are described in the scope, Commerce found these products to be within the scope of the order.
3. Continue to suspend liquidation of entries of light-walled rectangular pipe and tube from China, including the black and perforated square tubes in lengths of three, four, and six feet imported by Acme described above, subject to the countervailing duty order on light-walled rectangular pipe and tube from China.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984.
